The applicant proposes to exchange 30 acre feet of consumptive water right represented by 7 1/2 shares stock in the Davis & Weber Counties Canal needed to satisfy other water rights. In lieu of such water, water will be diverted from White Pine Creek or a well at the points indicated during the winter months and will be used as a supplemental supply with water under Weber River Decree Right #448 to serve 200 single family or equivalent residences. Change Application a13685 filed simultaneously herewith covers the use of 157 residences and these 30 acre feet of consumptive use cover the needs for 43 additional residences for a total of 200. Such use includes irrigation of up to 1/4 acre of lawn and garden in connection with each residence and domestic livestock watering.
The uses are used supplemental to Change A-13685.
